

SUMMER VACATION WORKSHEET

SESSION: 2025-26, CLASS: NURSERY

Dear Parents,

It is summer vacation time again, a time to relax as well as fruitfully occupy the children in various scholastic and co-scholastic areas. As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to the best of their ability. Your encouragement can actually make a huge difference to the ultimate learning outcome of these projects. We would be happy if parents encourage children to work on their own.

Some things that you as a parent can do are:

- ❖ Take your child on a nature walk.
- Play simple games with your child.
- **❖** Make simple conversations.
- Involve them in little household chores.
- * Recite a story to them.

Try to converse in English with them.
